DAY 1: ARRIVAL IN GEORGETOWN

Upon arrival at Cheddi Jagan International Airport, you will be transferred to Georgetown to check in at Cara Lodge. This historic colonial hotel, built in the 1840s, has hosted famous guests such as King Edward VIII, President Jimmy Carter, HRH King Charles III, and Mick Jagger. The lodge exudes charm and offers a glimpse into Georgetown's past. Check-in is available from 14:00 hrs.

Chef Delven will make market purchases based on your suggestions, which will later be used for lunch.

Following the market visit, take a guided city tour to learn about Georgetown's key landmarks, including the National Museum, Walter Roth Museum of Anthropology, St. George's Cathedral, and the Botanical Gardens, where you may even get the chance to feed West Indian Manatees.

For lunch, join Chef Delven Adams at the Backyard Café, where he will prepare a meal using ingredients from the morning's market visit. Relax with refreshing juices or a cold beer and enjoy a delicious multi-course meal.

The unique environment of Kaieteur Falls is home to the tiny Golden Frog which lives in the Tank Bromeliads near the falls, as well as the rare Guiana Cock-of-the-rock. DAY 4: PARUIMA VILLAGE EXPERIENCE

After breakfast, you will transfer to Eugene F. Correia International Airport for a flight over the rainforest to the remote indigenous village of Paruima. Paruima is home to the Arecuna, a community with a population of about 500, 45% of whom still speak their native language. The people have a strong Christian faith, the result of English protestant missionaries being here at the end of the 19th century. This is largely a farming and hunter-gatherer community, however these skilled and bush-knowledgeable people are also known for their basket weaving, wood skin canoes and hunting techniques, which include using blowpipes, as well as for their unusual diet of Tuma, Kachiri - a fermented drink - and savannah termites. Spend the afternoon learning about their way of life and listening to stories from the local hunters. Then, after dinner, meet with your lead guide to discuss the next day's plans and activities.

- 🏠 **Staying at:** Paruima Guest House.
- 🍴 **Meals included:** Breakfast, Lunch, and Dinner.

DAY 5: TREK TO PLATEAU CAMPSITE

Following an early breakfast, you will set out on a 7.5-mile trek, ascending to 2,000 feet. The hike begins with a steep climb but soon transitions into more moderate terrain through primary rainforest. Along the way, you will encounter the iconic tepuis—ancient flat-topped mountains, remnants of the supercontinent Pangea. These geological formations are home to unique and endemic plant and animal species.

In the evening, explore the nocturnal wildlife of the rainforest with your guide.

- 🏠 **Staying at:** Forest Creek Camp, where accommodation is basic but immersive, with tarp-covered hammocks.
- 🍴 **Meals included:** Breakfast, Lunch, and Dinner.

DAY 6: TREK TO KAMARANG FALLS

After an early breakfast, break camp and embark on a 4.7-mile trek through rainforest, emerging into the highland savannahs surrounded by tepuis. Keep an eye out for wildlife tracks, and with some luck, you may spot jaguars, peccaries, or other large mammals.

You will cross the Kamarang River at the top of Kamarang Falls to reach your campsite. Spend the afternoon exploring the area and enjoying the natural beauty of the falls.

- 🏠 **Staying at:** a hammock camp near Kamarang Falls.

DAY 7: TREK TO UCHI FALLS

The day begins with an early breakfast, before breaking camp. Then a trek across highland savannahs and hilly terrain, passing streams and termite mounds. Your guide will demonstrate traditional techniques for harvesting termites, a delicacy among the Arecuna people. The hike is less strenuous than previous days, and offers breathtaking views of Kamarang and Uchi Falls, with the constant sound of cascading water in the background. In the afternoon, hike to the top of Uchi Falls for stunning views of the surrounding rainforest and gorges.

The rest of the day is yours to enjoy at leisure. You might choose to relax at the hotel or explore Georgetown's dining options—our team is happy to offer recommendations or assist with reservations.

Enjoy an evening river cruise, learn about the history of the waterfront buildings, and view the Demerara Harbour Bridge, once the longest floating bridge in the world. SOCIAL RESPONSIBILITY

We are committed to supporting local communities as much as possible. For our tours in Guyana, we partner with a Guyana Tourism Authority registered business in Georgetown. Our guides and drivers are all from the greater Georgetown area, and in the hinterlands, our guides, captains, and porters are indigenous people from the region. The cost of your tour goes directly to paying these individuals a fair wage for their valuable work. This approach not only benefits the local economy but also provides travellers with a more authentic and enriching experience.

The company will not accept any liability, and no refund will be made. This is airline procedure to ensure that the weight of the load is within the payload limit for the aircraft, and neither they nor the company will compromise on safety.

Visas are the responsibility of the traveller. We can give general advice, but ultimately it is your responsibility.

Wildlife Sightings

There are places in Guyana where wildlife sightings are better than others. The area visited on this tour is not one of them. Wildlife sightings are beyond our control, and we do not guarantee wildlife sightings. If you would like a tour with a better prospect of seeing wildlife, please let us know.

At all times, the decision of the company or its representative will be final on all matters likely to endanger the safety, wellbeing, and enjoyment of the tour. Condition Restraints

You have selected a tour that is, in part, in remote areas. This adds to the adventure and opportunity to enjoy a true nature experience. However, due to the nature of the terrain, weather, road conditions, and other elements beyond our control, some elements of tours may have to be altered. Times of some activities may need to be changed or even cancelled due to the conditions. If an activity is cancelled, it will be replaced with an alternative activity that is more appropriate for the conditions. Advance notice will be given for any changes where possible, although at times changes may be made whilst the tour is in progress.

Local Culture

Many of the areas to be visited are remote, and the cultures of the people are most likely different from what you are accustomed to. These communities welcome visitors under the condition that their customs, habits, and rituals are respected at all times. Caribbee will endeavour to provide appropriate guidance to visitors as to correct behaviour whilst in these communities. The company reserves the right to cancel a visitor's tour at any time should their behaviour be inappropriate and offensive to the local communities.
